***David Ferguson Appointed Senior Market & Technical Manager, MicroCare***

**NEW BRITAIN, CT – February 05, 2013** – MicroCare Corporation is pleased to announce that David Ferguson of Hampstead, North Carolina, has joined the MicroCare team as the Senior Market and Technical Manager. David assumed his new position on February 1<sup>st</sup>, 2013.

*“David is a valuable addition to the MicroCare team and we are confident that David’s active dedication, innovative thinking and technical knowledge will assist customers in improving their products and processes while reducing their costs”, said Tom Tattersall, COO, MicroCare Corporation.*

*David brings 25 years of experience supporting customers with their vapor degreasing cleaning processes, understanding regulations and their impact, and selecting the best chemistries to produce clean parts. Serving industries such as electronics, industrial, aerospace and coatings, Mr. Ferguson’s experience has allowed him to easily transition into the various industries that MicroCare serves.*

*David has vast experience with conducting technical seminars and training to companies on new product development and their applications. He has also supported design, sourcing of materials and equipment in the manufacturing sector. With his experience and background, Mr. Ferguson comes to MicroCare as a Senior Market and Technical Manager with proven competence.*

*MicroCare Medical will be exhibiting at the MD+M East show in Philadelphia, Booth #2939, June 18-20, 2013. Please stop in to meet David and learn more about MicroCare Medical including Duraglide, SpecClean™, Swellex® and Swellex® P.*
