**High Performance
Precision Cleaning Fluids**

Welcome to MicroCare

Since 1983, we've been helping businesses like yours improve **quality and productivity** with high-performance fluids used for **cleaning**, most commonly used in vapor degreasers. We'll show you how easy it is to replace old style aqueous cleaners to save you time and money.

Critical Cleaning Experts:

- Solvent Selection
- Process Improvement
- Onsite Support
- Health and Safety Stewardship

Industries We Serve:

- Electronics
- Aerospace
- Medical Device
- Manufacturing
- Automotive
- TeleComm

Technical Support

Our team of experts will work with you to clean parts more thoroughly, quickly and safely... all at a lower cost... **GUARANTEED!**

Discover Perfectly Clean

MicroCare is a Chemours™ Preferred Supplier

Opteon™ SF79 (Opteon™ Sion)

- HFO technology with superior solvency power
- Exceptional performance for your business and the environment
- Safe & effective nPB and TCE replacement

Vertrel™ SDG & SFR Specialty Fluids

- Versatile critical cleaning fluids for every challenge
- Broadest range of solvency power in the industry
- Safe, stable & non-flammable
