

# ACID Magic<sup>®</sup>

## TILE CLEANER

### Formulated for Swimming Pools

- ✓ Removes Calcium & Scale Deposits
- ✓ Fast Acting, Low Fumes
- ✓ No Phosphates

ACID Magic<sup>™</sup> Tile Cleaner is a ready-to-use, gel formula to clean tile, grout and other non-porous surfaces. It quickly removes calcium build-up, oil, grease, soils and hard water stains. Simply spray ACID Magic<sup>™</sup> Tile Cleaner, allow to dwell before scrubbing with a natural hard bristle brush, then rinse with water.

### APPLICATIONS:

- Professional strength designed to remove calcium build-up and dissolve mineral deposits
- Use on tile, plaster and other non-porous surfaces
- Dissolves oils, grease, soils and crud

### FEATURES:

- Ready to use, no dilution needed
- Fast acting gel formula clings to tile and begins to dissolve calcium deposits while dwelling on the surface
- Soils are easily removed with light scrubbing and rinsing with water
- Safer to use, safer to store
