

General Purpose Cleaner & Adhesive Remover

- Natural, biodegradable citrus-based cleaner
- Cleans fluxes, conformal coatings, moisture, dust, oils and light oxides
- Dries residue-free
- Excellent silicone & circuit board cleaner
- TriggerGrip™ cleaning system compatible

Product Information

General Purpose Cleaner and Adhesive Remover is a powerful, high-purity flux remover, degreaser and adhesive remover. Drying residue-free, it is the only citrus-based cleaner on the market engineered for benchtop use that is made without surfactants or additives.

This naturally derived product provides excellent cleaning power on fluxes, pastes, inks, oils and grease. Use on PCBs, FR-4, components, connectors, cables, and mechanical assemblies. It is an effective way to remove many circuit board conformal coatings and it also provides an excellent means to dissolve many adhesives used to apply pressure sensitive labels.

As a slow-drying cleaning fluid, a small amount can effectively clean a large area of contamination, minimizing solvent usage and waste. Made from citrus derived renewable resources, it offers a low-cost, environmentally sustainable approach to many difficult industrial cleaning applications. Test before use on plastic and avoid long-term skin contact.

Dispense directly from the can or use with the *MicroCare TriggerGrip* cleaning system for faster, safer, and more economical process of cleaning printed circuit boards at the work bench. This option cuts cleaning costs by reducing fluid use by 66%.

Technical Details & Cleaning Data	
Boiling Point	169 - 187°C 340 - 372°F
Chemical Family	Terpene Hydrocarbon
Cleaning Strength (KB value)	67
Evaporation Rate	Slow
Odour	Mild, Citrus
Percent Volatile	100 %
Specific Gravity	0.86 g/mL
Health, Safety & Environmental Data	
Flammable	Yes
Flashpoint	49°C / 120°F
VOC	736 g/L
RoHS, WEEE and REACH Compliant	Yes
GHS / HCS Pictogram	
Packaging	
Aerosol - 284 g (386 mL)	MCC-SDF107
TriggerGrip™ Compatible	Yes
Aerosol Packaging	12 cans / box
Shelf Life	Unlimited
Recycle
