WHY TECHS ARE SWITCHING

WON'T ETCH, WON'T BURN

HCl-based formula - no permanent damage to glass or glazed tile, even with extended dwell time.

90% LESS FUMES

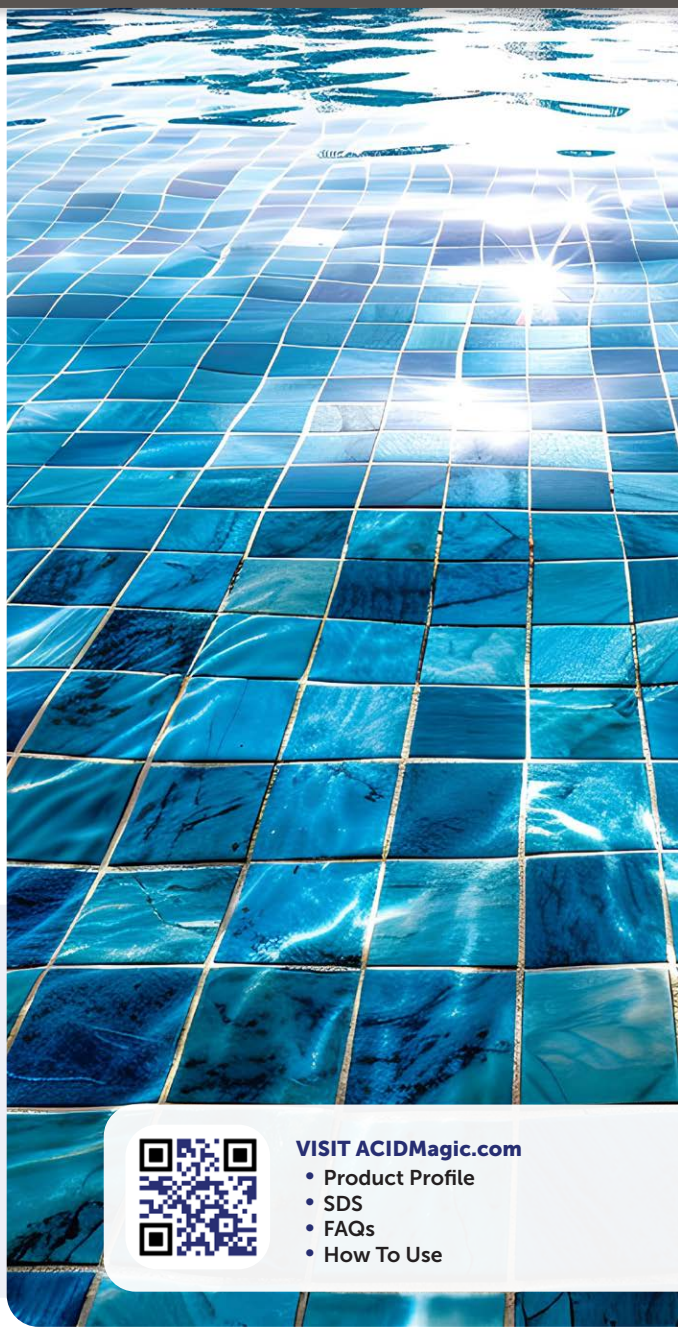

Built for enclosed spaces and daily use. Safer for your technicians, easier on your bottom line.

CLINGS & CLEANS

Thick gel formula grips vertical surfaces so it works longer and harder, with less runoff and less product waste.

TIME SAVING FORMULA

Gel consistency allows longer dwell time and faster results with minimal scrubbing.
