

01

SORT

Eliminate clutter from your benchtop. Keep only the essential cleaning tools you need. Flux remover, wipes, the TriggerGrip™ tool and brushes.

02

SET

A place for everything. The TriggerGrip™ Bench Mounting Kit clears your work surface, yet keeps the tool close at hand.

03

SHINE

Keep your benchtop ready for work with a good cleaning. Use static dissipating cleaning wipes on mats, bins, tools and more.

04

STANDARDIZE

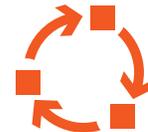

Make sorting, organizing and cleaning a daily routine until it becomes a habit.

05

SUSTAIN

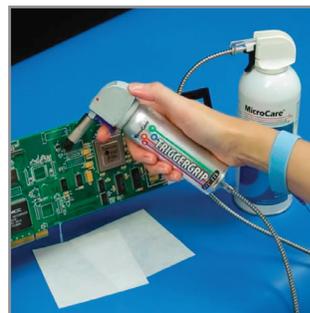

Keep it going! Establish your culture of continuous improvement.

06

SAFETY

BONUS STEP! Choose nonflammable cleaning fluids to reduce the risk of fire.
