

MicroCare™
ENGINEERED FLUIDS

UPGRADE NOT JUST REPLACE

HIGH-PURITY SOLUTIONS, EXPERTLY SUPPORTED

Our expert team provides contamination analysis and lab-supported testing for superior cleaning performance.

UPGRADE WITH CONFIDENCE

Choose Novec™ equivalent MicroCare Engineered Fluids or future-proof with PFAS-free Tergo™ Performance fluids.

With ample stock, expert support and expedited qualification, MicroCare™ delivers a smooth, validated transition.

Act now to avoid disruptions,
